Howrah - Contemporary Design against River and Mountain Views

Striking contemporary design combines with unsurpassed views across the River Derwent up to kunanyi/Mount Wellington in this impressive modern home enjoying a sunny, elevated position. With a flexible, functional floorplan, multiple living spaces, and easy-care gardens, this property provides comfortable and convenient living set against a mesmerizing panorama.

Extensive glazing throughout floods the home with natural light and frames the ever-changing vista beyond. Generously proportioned open-plan living forms the heart of the home, comprising the well-equipped kitchen, dining room, and living area with a cozy wood fire. Glass sliders open onto the sheltered sun deck, creating seamless indoor/outdoor living and space to relax and entertain friends and family outdoors.

The primary suite is privately located at the end of the hallway and accommodates a large walk-in robe and ensuite with double vanity. Three further double bedrooms each have built-in robes and are serviced by a central family bathroom with a shower and bathtub. The laundry completes the floor plan on the upper level.

The entry level contains additional living space with a rumpus that could be used as a fifth bedroom, storage, and access to the double garage. Finished to a high spec, tasteful monochromatic interior design with clean lines is timeless. Outside, the home is surrounded by tranquil grounds with native plantings and plenty of space for the green thumb to potter.

Within easy reach of local shopping centres, schools, and amenities, and a short 15-minute commute to Hobart's CBD, this property is impressive in every way, offering relaxed modern living and iconic river and mountain views for an enviable lifestyle and address.
