The double storey residence boasts high ceilings and a thoughtful design, perfectly blending spacious interiors with outdoor serenity.

With four well appointed bedrooms, this home is designed for privacy, tranquility and absolute serenity. Two bedrooms are located downstairs, while the remaining two are upstairs, each offering its own unique appeal. One downstairs bedroom boasts a private ensuite, whilst an upstairs room showcases stunning views of the Trevallyn Dam as well as a walk in robe. The open kitchen and dining area offer plenty of bench and cupboard space, with a design that maximises the remarkable outlook. Sliding doors lead to a private courtyard, ideal for outdoor dining or quiet moments of relaxation.

The heart of the home lies in the living room, where original timber features and a timeless fireplace create a warm and inviting ambiance. This space flows seamlessly onto a spacious deck with undercover shelter, making it the perfect spot to enjoy the lush garden and mountain views.

For those who work from home, a dedicated office downstairs offers privacy and productivity. Additional amenities include a double garage and a separate studio with its own bathroom, presenting exciting potential for guest accommodation or a self contained living space.
