Exceptional Family Living with Luxury and Space

Set in the sought-after area of Westlake, this exceptional home spans over 330m² of luxurious living space. The perfect blend of spacious living, modern luxury, and thoughtful design, this beautiful home has five generous bedrooms, three bathrooms, and multiple zones to relax and entertain in style.

A grand, large single door entrance creates a striking first impression and a welcoming entry into the home. The formal lounge and dining areas frame the heart of the home - the gourmet kitchen. A full butler's pantry, premium stone benchtops, and high-end European appliances, makes the luxurious and functional kitchen ideal for family gatherings or socialising with friends.

The family room, facing east, opens on to a large courtyard; sparkling, inground pool; and expansive backyard – a wonderful space to relax, entertain, and for children to play. Offering privacy, comfort and tranquility, the luxurious master suite and guest bedroom are in one wing of the home, with a separate wing containing three additional bedrooms, study, living area, and distinct bath and shower rooms.

Designed with an executive or family lifestyle in mind, this premier residence provides a sophisticated environment for both professional and personal life.
