They are far between, opportunities of this magnitude. So rarely do properties of this calibre, and one providing so many lifestyle options, present themselves. Everything feels so right, from the attractive four-bedroom two bathroom home, the business potential (STCA), including food and coffee sales and Air BNB income, the extensive established European-style gardens, fruit and vegetable production, animal holdings, a most majestic mountain backdrop, entertainment/music stage with its own natural amphitheater with terraced seating, regular rainfall exceeding 1000mm annually, mild summers, and all a mere one hour from Launceston and Devonport. This idyllic valley property has everything one could wish for in seeking that Tasmanian rural dream. Inspections strictly by appointment only.
