Beautiful Small Acreage!

Sitting high on the rolling hills in the picturesque Scenic Rim you will find no better place to call home. A stunning 2.47 acres with a lovely steel framed bungalow with colourbond cladding consisting of two bedrooms, open plan living area with a spacious kitchen and island bench. There are beautiful polished concrete floors throughout, built in robes in both bedrooms, linen cupboard and small pullout pantry. With loads of cupboard space, all windows with shutters, newly painted decks and carport you will be able to move straight in and enjoy rural living at its best. With many features including verandah's front and back, solar panels, insulated walls and roof, solar whirlybird, reverse cycle air conditioner, slow combustion wood fire (for those cold winter nights!) are just a few luxuries to mention. A large separate shed and carport is adjacent to the house and there is a separate studio/garden shed with further storage in outbuildings. There are 3 x large poly rainwater tanks with a new water pump. The property is connected to rural water for gardens and toilet. There is an array of established fruit trees and over 250 established native trees. The property boasts a wonderful northside of Boonah location and only 1 hour drive to Brisbane, with wonderful rural views over the Main Range and Cunningham's Gap.
