Timeless appeal in a tremendous location

A rare find in today's market, this charming home strikes a careful balance between affordability, quality, and lifestyle. Perfectly suited as a first home or an investment opportunity, it combines thoughtful updates and garden-focused outdoor spaces, offering both comfort and future potential. With every essential nearby and outdoor areas designed to be enjoyed in all seasons, this property lets you embrace an easy lifestyle while staying connected to the heart of the community. Wrapped in vibrant gardens, this property invites you to settle in and make it your own with room for personalized touches.

-☑ Only 1.2 km from the train station, a short walk into the town center, and just steps from Winters Flat Primary (300m) and nearby childcare (500m), this property brings both convenience and lifestyle together.

-☑ Situated on a 668m² (approx.) block with low-maintenance gardens that bring shade and color throughout the seasons, this property includes a tandem carport plus extra off-street parking.

-☑ Featuring quality stainless steel appliances and elegant marble benchtops, this kitchen is equipped to handle everything from quick meals to family feasts. The breakfast bench adds a welcoming space for conversation and meal preparation.

-☑ Each bedroom includes built-in robes, with two offering restful garden views. The retro-inspired family bathroom adds character to the space.

-☑ The covered, enclosed veranda provides all-weather enjoyment, with sliding windows for summer breezes and cozy shelter in the cooler months, making it perfect for gatherings year-round.

-☑ With ducted heating, multiple split-system units, and plenty of modern comforts, this well-presented home is ready to make your own, with room to add your personal style.
