Type: House

Great First Home or Investment Property!

Welcome to 19 Selwyn Street, a delightful cottage that perfectly captures the essence of countryside living while offering modern comforts. Nestled in the heart of Triabunna, this charming home is a haven for those seeking a peaceful lifestyle surrounded by nature.

Set on a 627m² block is this 3 bedroom cement render brick veneer home, with open plan kitchen/dining separate lounge with a cozy wood-heater. The property is in need of cosmetic refurbishment but for the most part minor. Outside the property has several sheds and a hothouse, a fully contained yard ideal for pets of children.

The home also has 16 solar panels producing approximately 5.5kw of power keeping those bills down. Located on a corner block with river and bay views, only a short 2 minute drive or 12 minute walk to the centre of town.

This home would make a fantastic starter home or investor property as its very low maintenance, a must see property in an affordable price range.
