Step into a world of elegance with this stunning property, where every detail has been meticulously designed to offer a lifestyle of luxury. Spanning an impressive 250m²* under roof, this home is a true testament to design and premium craftsmanship, set in the flourishing Riverstone Rise.

As you enter, the sheer scale and grandeur of the home becomes immediately apparent. The expansive open-plan living and dining spaces are flooded with natural light, creating a warm and inviting atmosphere. The seamless flow between the indoor and outdoor living areas is perfect for both entertaining and everyday family life. The heart of the home is the designer kitchen, a space that combines functionality with style. Featuring striking stone benchtops, high-end stainless steel appliances, and a large corner pantry, this is a kitchen that will impress even the most discerning chef.

The master suite is a sanctuary of its own, offering a spacious retreat with a luxurious walk-in wardrobe and an elegantly designed ensuite. The ensuite exudes opulence, with dual vanities, and premium finishes that elevate the space to a new level. The remaining three bedrooms are equally impressive, generously proportioned with built-in wardrobes and filled with natural light, and zoned ducted AC.

This property truly comes alive outdoors. The expansive, covered alfresco deck is the ideal place to host gatherings or enjoy quiet evenings overlooking the lush, landscaped yard.

Attention to detail is evident in every corner of the home. From the ducted air-conditioning that ensures year-round comfort to the impeccable bathrooms with floor-to-ceiling tiles and sleek finishes, no expense has been spared. Practicality meets luxury with a large double garage, a dedicated laundry with external access, and a fully fenced yard perfect for families or pets.

This home is more than just a property-it's a statement. Its scale, opulence, and premium finishes can only truly be appreciated in person. Photos and words don't do justice to the sense of space, the quality of craftsmanship, and the lifestyle this home offers.
