Period charm, harbour views, and a city & seaside lifestyle

Auction Location: In Room

Classic Victorian charm meets coastal lifestyle in this elegant, character-filled home. Spanning three spacious levels with a fourth bedroom loft retreat crowning the top, it's a residence that truly captures the beauty of the era. Soak in the stunning northerly views over Christ Church Cathedral and the harbour, stretching all the way to Stockton.

Step inside to discover inviting living and dining spaces that channel traditional warmth, featuring tall, pressed metal ceilings, rich timber floors and doors, and an ornamental fireplace that radiates charm. Beyond, an electric-equipped kitchen and bathroom open out to a private, cottage-style garden that's a quiet haven in the heart of the city. On the mid-level, three bedrooms and a full-sized bathroom make this home ideal for families. And while the residence is perfectly comfortable as it is, there's potential to add your own modern touch if you wish.

But it's not just about the house; it's about the lifestyle that comes with it. Imagine mornings catching waves at Newcastle Beach, refreshing swims in the ocean baths, peaceful strolls through King Edward Park, coffee dates on Darby Street, or cocktails at sunset at the QT Hotel, all just moments from your doorstep.
