Fabulous heritage home in Inglewood!

Discover the charm and elegance of this gorgeous home built in the 1890's on almost 5 acres and situated in the magnificent hills suburb of Inglewood.

With a combination of historical charm and modern amenities, this home offers all the comforts of today with all the beautiful features of yesteryear.

As you walk up to this property you instantly feel you are entering something special, as you step onto the verandah which wraps around the sandstone facade you are entering one of the first houses to be built in the Inglewood area.

A stunning JAG kitchen with large granite benchtops and an abundance of shaker design fronted cupboards is the center of the home. It is a timeless design that remains stylish and practical for today's living. An induction cooktop with 90cm wide double ovens is perfect for catering for large gatherings. The kitchen seamlessly opens out to the dining area with brass/rattan ceiling fans and beautiful spotted gum wood floors adding warmth and elegance.

The 3 Bedrooms to the front of the home are all beautifully appointed with plush carpets, high ceilings with brass/rattan fans.

The heritage bathroom is luxuriously appointed with a marble vanity, heated towel rail, and classic tessellated tiles.

An additional bedroom includes an electric fire place to take the chill of the air during the winter months.

The master bedroom is currently being used as an office and also has a walk in robe and large ensuite bathroom.

Throughout the home elegant cedar shutters adorn the leadlight windows and original pine doors add a touch of historical artistry throughout the home.

Match board ceilings and picture rails in all rooms enhance the historical character, while ducted evaporative cooling ensures comfort during warmer months.

Downstairs there is a great under house storage area which also contains the laundry shower and separate toilet. This area has also been utilised as a 4th bedroom providing plenty of room, it could be used as a granny flat for a teenager retreat.

The outdoor space features a magnificent all-weather pergola, ideal for entertaining or relaxing, plus additional under house storage provides practical solutions for busy family life.

Nestled in the beautiful area of Inglewood, this home combines the charm of a bygone era with contemporary conveniences, making it an ideal choice for anyone looking to enjoy a piece of history with the comforts of modern living.
