Tropical Escape In a Paradise Suburb

Are you searching for a holiday home or a low-maintenance retreat where every day feels like a holiday? Look no further than this resort-style oasis! Just a short walk from one of Australia's finest beaches, backing onto National Park, this Bali-inspired home is bound to be popular.

Passing the immaculate gardens, double carport, and double garage, you'll step into a tranquil paradise. Inside, the solid hand-carved front door opens to a cozy lounge, ideal for unwinding after a day in the sun. The heart of the home is a generous stone-topped kitchen that flows into a bright dining and living space. Sliding doors lead to a spectacular alfresco area, perfect for entertaining family and friends or simply relaxing by the mineral pool with sweeping views of open skies and lush parkland.

The master bedroom features a modern ensuite and walk-in robe, while two additional bedrooms overlook the pool and bushland. With timber fans, ducted AC throughout, and a large solar panel array, this home is as comfortable as it is efficient.

Fingal Bay Beach and the local shopping village are just a short, level walk away, along with the local sports club and the Fingal Bay SLSC with dining and cafes. With parks, playgrounds, and Fingal Bay's relaxed vibe, this is a wonderful place to call home.

Whether you're downsizing or looking for the perfect low-maintenance escape, this home is a rare find. Contact our friendly sales team to book your private viewing or learn more.
