Introducing Two Stunning Townhouses in St Helens

Introducing two exquisite townhouses in the picturesque seaside town of St Helens, brought to life by the esteemed Liddell Building. Known for their unparalleled craftsmanship, these homes have just finished completion and are ready to move in to!

Radiating an inviting street presence, these townhouses boast quality fit outs, including luxurious stone top benches and top-of-the-line appliances as well as a 7 star energy rating. Each residence features two distinct floor plans, both encompassing three bedrooms and two bathrooms, all adorned with built-in robes. The master bedroom is a sanctuary, complete with its own ensuite.

Designed for modern living, the open-plan layouts seamlessly flow into concrete alfresco dining areas, perfect for entertaining or simply soaking up the coastal ambiance. Indulge in relaxation with main bathrooms featuring baths and separate toilets, ensuring utmost comfort and convenience.

Convenience meets security with single-car garages and fully fenced yards, providing peace of mind and privacy. There are also additional parking bays for the boat or caravan.

Nestled in the heart of St Helens, these homes offer access to a plethora of outdoor adventures, from the renowned Bay of Fires to the scenic St Helens Point Conservation Area and the pristine shores of Binalong Bay.

The property is a short level walk back to the town center.

Food enthusiasts will delight in the array of local seafood offerings, while adrenaline junkies can explore the world-class St Helens Mountain Bike Trails. Located just a scenic 2-hour drive (163km) east of Launceston, St Helens is the perfect blend of coastal charm and adventure, promising a lifestyle of unparalleled beauty and excitement.

Don't miss your chance to call St Helens home!
