Family Life Meets Coastal Charm on Kawana Island

Nestled in the highly sought-after Kawana Island, this immaculate family home offers an unparalleled lifestyle on the Sunshine Coast, combining luxury with convenience.

This single-level home features four spacious bedrooms, two separate living retreats, while ensuring privacy with its thoughtfully designed layout. Tastefully renovated, this family haven beautifully balances style and functionality.

The heart of the home unfolds as you move into the light-filled open-plan kitchen, dining, and lounge areas. The modern kitchen is a culinary delight, providing ample space for both cooking and entertaining, making it the ideal hub for family life.

Seamlessly transition to the outdoor oasis, where the expansive alfresco area overlooks a sparkling pool. This generous outdoor space, complete with a lush yard, perfectly embraces the Sunshine Coast's outdoor lifestyle.

Recently renovated with stylish, timeless design elements, this home feels brand new. Enjoy designer finishes in the ensuite, main bathroom, kitchen, and laundry.

Located just a 5-minute stroll to the beach, dining options, hiking and cycling trails, and parks, 2 Antilles offers easy access to the best of the Sunshine Coast. With nearby shopping centres, schools, and the Sunshine Coast University, effortless coastal living is at your fingertips. Your Coastal Paradise Awaits.
