Superior Small Acreage Living and Entertaining

Designed for superior family living and entertaining, this contemporary small acreage residence provides an impressive haven of vast space, premium finishes and effortless livability.

Completed in 2016, this custom-built home showcases a split-level design with soaring high ceilings and seamless in/outdoor flow. The flexible family layout offers a separate media room and office, plus a grand open plan living/dining area with fireplace. In addition, the spectacular outdoor entertaining zone features a dedicated games room, covered alfresco, built-in bbq, gazebo and resort-style pool.

Nestled on a prime 5927sqm parcel in a quiet cul-de-sac, this property provides versatile lifestyle options with its hard-stand area, shed and room to add a second dwelling. Positioned just minutes from schools, beaches and amenities, this is an exceptional opportunity to enjoy both rural tranquility and coastal convenience.
