Spacious Family Living

This beautiful light filled home is perfectly positioned in a quiet court location, offering the best of both space and convenience. Set on a flat block, it features four spacious bedrooms, three living areas, and a large outdoor entertaining space - ideal for hosting family and friends.

The master bedroom is a retreat with a walk in robe and ensuite, while the remaining three bedrooms and the study are tucked away at the other end of the home, sharing the family bathroom. This design provides excellent separation for all family members. A dedicated study adds extra versatility, perfect for those who work from home or need a quiet place for study or hobbies. Located within walking distance to a local park, it's the perfect family friendly location. The easy care gardens surround the home, providing a serene and private setting.

The property also boasts excellent storage options, including a garden shed and an additional shed at the side, accessible via double gates - great for housing tools or a trailer or camper. With plenty of room for all the family, this home offers distinct spaces where everyone can spread out and enjoy their own privacy. Added bonuses are solar for gas and electricity and security cameras. A must see for those looking for space, comfort, and a prime location!
