\$125,000

Searching for a home you can add the finishing touches to and capitalise on all your hard work then this is for you. The current owner has started repairing the home however as per photos more work is required throughout the home along with a kitchen. The 1940's built home has a large split system air conditioning and original wood floor boards along with 3 bedrooms. Outside the home there is a large block with side access creating a blank canvas. The home is on mains water and sewer also. The property is spread over two titles on a spacious 976 m2 block. Call Exclusive Selling Agent Suzie Perrin on 0438 545 265 to book a viewing - ideal for those wanting to take the leap into the property market in 2025
