## **Priest Street Perfection for the Family**

Nestled behind secure fencing and a large carport, this solid brick family home is the perfect place to grow and thrive. With four generously sized bedrooms, each featuring fresh carpets and built-in robes, the home provides plenty of space for everyone. The main bedroom includes its own ensuite, while the family bathroom is conveniently located with a separate toilet for added ease.

The open-plan living and dining areas flow seamlessly, with tiled floors adding to the home's sense of space and comfort. A versatile additional area offers endless possibilities—whether it's a study nook, kids' play zone, or a quiet retreat.

The kitchen is family-friendly, equipped with an electric cooktop, oven, dishwasher, and ample cupboard space, making meal preparation a breeze. Step through the sliding door to an undercover entertaining area that overlooks a lush, green lawn, perfect for family gatherings and outdoor play.

The expansive backyard is a true highlight, featuring a bar for entertaining, a cubby house for the kids, and a large shed for all your storage needs.

Located close to local schools, shops, and restaurants, this home offers the ideal lifestyle in the sought-after Old Northside neighborhood. It's everything a family could need—don't miss out on making it yours!
