For the first time in 36 years, this family property on over half an acre is being offered up for sale!

Privacy is assured with the lush front garden nurtured over the years.

This spacious family home with 3 carpeted bedrooms (all with built in robes) plus a study or 4th bedroom is located close to everything that Bannockburn has to offer. A large family bathroom is central to the bedrooms. Plenty of natural light floods the front of the house keeping it bright and airy all year long. Entertaining is a breeze with 2 large separate entertainment areas both with split systems, with the kitchen/dining area in the middle. The living room has direct access to the undercover alfresco area that overlooks the established gardens, fruit trees and private rear yard.

Car accommodation is definitely covered with a four car carport plus garage with workshop area. Off street parking for the caravan/boat is also available next to the carport.

The rear half of block is really what sets this property apart from the others; plenty of places to sit and relax, kick the footy or play cricket, plus even more space perfect for dogs/cats and chickens!

Close to all amenities, walk distance to nearly everything, and still private enough.
