Looking for a spacious and affordable rental in the highly sought-after suburb of Mount Pleasant? Welcome to 20 Hillside Terrace, a low-maintenance, four-bedroom, two-bathroom family home on a pet-friendly 892m² fully fenced block. Located just minutes from shops, schools, and the Bruce Highway, this property offers convenient and comfortable living. This home has been cleverly renovated to transform the original double lock-up garage into a fabulous rumpus room. Featuring two security-screened sliding glass doors that provide direct access to and views of the street, crisp white walls, block-out black curtains, stylish yet practical matte grey floor tiles, and air conditioning, this space is light, bright, cool, and private. Perfect for family activities, this versatile room is an inviting space for everyone to enjoy. The rumpus room flows seamlessly, via large double doors, into the similarly appointed open-plan tiled living, dining, and kitchen area. The air-conditioned lounge offers ample space for a couch, TV, and chairs, while the dedicated dining area easily accommodates a family-sized table. At one end, a security-screened sliding glass door opens directly onto the expansive paved undercover entertaining area, which overlooks the backyard, providing the perfect indoor-outdoor connection. The delightful galley kitchen overlooks the dining area. It is designed in a generous U-shape and features abundant storage, including under-bench cupboards and drawers, overhead cabinets, and a full-sized pantry, all finished in modern timber-look cabinetry. It also offers plenty of bench space, a sought-after gas cooktop, and a sleek wall-mounted oven. There are four generously sized bedrooms, each featuring easy-to-clean floor tiles, air conditioning, ceiling fans, built-in robes for storage and sliding glass windows that provide plenty of natural light and ventilation. The master suite includes a private, luxuriously renovated ensuite, while the remaining three bedrooms share a beautifully updated family-sized bathroom. Both bathrooms showcase modern elegance, featuring floor-to-ceiling large-format tiles, sleek black fittings, and timber-look cabinetry. The ensuite boasts an open waterfall shower, a stylish vanity, and a toilet. At the same time, the family bathroom offers a shower-over-bath configuration, a spacious vanity, and the convenience of a separate toilet. Additionally, a separate laundry room provides ample space for a washer and dryer and overhead cabinets for practical storage. In addition to its two internal living spaces, this home features two undercover outdoor living areas. On the side of the house, a private tiled space, accessible from the lounge room, offers the perfect spot to savour your morning coffee. At the rear, an undercover paved entertaining area runs the length of the house, overlooking the grassy, fully fenced backyard. Conveniently located near the kitchen, this area is perfect for hosting outdoor gatherings or relaxing with family and friends. The lush, pet-friendly backyard is perfect for kids and pets. It even features an established shady mango tree with a swing for endless fun. At the front of the property, a double undercover carport offers parking for two vehicles, while double side gates provide convenient access to the backyard. Located on a family-friendly residential street, this home is within walking distance of parks and close to schools and childcare centres. Just minutes from Mount Pleasant Shopping Centre and with easy access to the Bruce Highway, the Mackay CBD is only a 10-minute drive away. Mount Pleasant is renowned for its extensive shopping options, including fashion outlets, dining venues, and various businesses such as Autobarn, Eureka Furniture, Intersport, Silly Sollys, Clark Rubber, and Betta.
