REWARDING FAMILY LIFESTYLE AND LOCATION

Unlocking a lifestyle of comfort and convenience, this family home is the perfect find with its well-designed layout providing plenty of space for the family to thrive, while investors are certain to be excited by its placement only paces from Monash Uni. Occupying an impressive 720sqm approx. allotment, the home's generous dimensions invite you to simply move in and relax with the entry hallway opening onto a formal lounge room boasting corner windows and polished floorboards that flow through to the dining room. Continuing further into the home, the kitchen is neatly presented and connects via a breakfast bench through to the open plan meals zone and family room where sliding doors open onto a delightful alfresco zone and backyard. Catering for the family's accommodation needs, the three robed bedrooms are accompanied by a trendy family bathroom with toilet and full-sized laundry, with a granny flat situated in the backyard offering an open plan living/4th bedroom and ensuite. Further complemented by a backyard pergola, ducted heating, evaporative cooling, security shutters, garden shed plus a side driveway and double garage. Bolstered by its premium position only meters from M-City Shopping Centre and Monash Uni, near Clayton North Primary, Westall Secondary, Victorian Heart Hospital, Monash Medical Centre, Australian Synchrotron, Ikea, transport options (including the planned SRL station) and freeways.

Photo ID required at all open for inspections.
