Elevated Elegance with Peaceful Court Position

Resting within a quiet family-centric court only moments from Mount Erin Secondary College and a short walk from Ritchies IGA Towerhill, this colonial-inspired home elegantly harmonises an established street presence with impressive family functionality.

Originally built by the current owners and lovingly maintained for over thirty years, this four-bedroom Henley home is perfectly suited for both young and growing families. Its north-facing orientation bathes the interiors in natural light, creating a warm and inviting atmosphere across a dedicated front lounge and fire-side family zone, with open plan living and dining space. A heart-placed kitchen offers modern updates with 40mm stone benchtops, a corner pantry, Bosch dishwasher, Westinghouse appliances and breakfast bar.

Guided by a carpeted staircase, an unravelling of four first-floor bedrooms and a main spa-bathroom keeps the kids just a heartbeat away, while parents enjoy a sanctuary of their own with a private ensuite and generous walk-in robe. Gas ducted heating and evaporative cooling provide total comfort while an 8-panel solar power system, plantation shutters, ground-floor powder room, and double garage with drive-through access enhance the home's practicality.

Outside, a spacious covered alfresco with built-in barbecue offers room for both an outdoor lounge and dining setting, with views across the blooming springtime garden, a very pretty backdrop. With space for little explorers centred by an established veggie garden, this private and secure backyard is the perfect complement to the large interior space.
