## The quintessential country cottage

The Top Five;

- \* Wonderful corner block
- \* Approx 100 years old
- \* Original weatherboards and floorboards
- \* Lovely north facing backyard
- \* 3 minute stroll to town centre

Tell Me More;

This house is roughly 100 years old and only a short stroll to centre of Australia's most beautiful rural town, Bellingen.

High ceilings, timber floors , exposed weatherboards in rooms.....so many of those characteristics of yesteryear.

But it's rough...it's going to take some work....the paint, the old carpet, the bathroom.....there's plenty to do. Its going to take some vision and elbow grease.

Your backyard is big and beautiful. North facing, gentle slope with laneway access.

These old originals only come up every now and again. Most are either under renovation or fully restored.

There's nothing else like this one!
