Gable Queenslander style with new roof & stumps!

This delightful highest gable Queenslander offers timeless character while offering exciting renovation potential! Offering two good sized bedrooms, plus additional sleepout and office at the front. High ceilings and timber floors extend throughout the entire upper level of the home right through to the open plan kitchen & dining area with an impressive island bench.

Situated on a spacious, fully fenced block in a quiet culdesac, the property is also conveniently located within walking distance to shops and has a football park directly across the road! With a new roof recently installed and finished with a 6kw solar system, plus the addition of new stumps, you'll be set with strong foundations for future renovation projects.

Whether you're a first home buyer, renovator or investor, this home has something to offer everyone!
