Three-Level Architectural Marvel with Panoramic Views of Surfers Paradise & Broadwater.

Welcome to the three-level mansion at 21 King Arthurs Court on Sovereign Islands, offering a lifestyle of sheer luxury with breathtaking panoramic views. This home is an architectural marvel with direct ocean access and spaciouly crafted living areas, providing an ideal setting for both relaxation and entertainment. With views spanning Surfers Paradise, South Stradbroke Island, and surrounding mountain ranges, each level has been meticulously designed to capture the essence of luxurious waterfront living. Enter the home through an impressive entryway featuring a beautiful chandelier and bespoke tiles, offering a welcoming glimpse of the opulent enclosed pool and Broadwater views beyond.

The property is equipped with an array of premium amenities, including a commercial-grade lift that seamlessly connects each level of the home. The ground floor boasts a beautifully enclosed in-ground pool, a fully equipped gym, and a proper sauna, creating an exclusive in-home wellness retreat. The spacious master suite on the second level offers exquisite Broadwater views and features a jacuzzi, black marble tiling, and an upgraded wardrobe with an integrated dressing area. This level also includes a full media room with a dropdown screen, perfect for immersive entertainment experiences. The other four bedrooms are also generously sized and fully renovated, each with its own ensuite, providing luxurious privacy and comfort.

On the top level, the ambiance is reminiscent of a luxurious penthouse. Hardwood flooring, crystal chandeliers, and sleek wall paneling add a sophisticated touch, while a large sitting area and indoor fireplace create a cozy atmosphere to enjoy the stunning views by day or night. This level also includes an expansive terrace, complete with a BBQ area and a small outdoor fireplace, ideal for al fresco dining while taking in the panoramic surroundings. The front of the property is elegantly finished with timber-look paneling and LED lighting, setting the tone for the luxurious touches found throughout the home.

The kitchen is a chef's paradise, featuring leather-finished stone benches, sleek cabinetry, and high-end appliances. A pass-through window with a stone bench offers an inviting setup for entertaining guests. This home, fully renovated with a prestige color palette and high-quality finishes, is a showcase of both luxury and functionality. Built with concrete and suspended concrete floors, it promises a solid, timeless structure to complement its stunning design. Adding to the modern convenience, all lights, curtains, and entry access are wirelessly controlled through a mobile phone or tablet. The B&D garage door, as well as the home's security cameras, can also be monitored and controlled remotely, ensuring ease and security at the touch of a button.
