Ignite Your Imagination!

Seize the chance to transform this expansive 809sqm (approx.) block into your dream family home, within a tranquil and sought-after pocket of Wanneroo.

Although the existing structure has been fire-ravaged, the exciting potential here is undeniable. With the current house ready for demolition, you'll have a fabulous "blank canvas" on which to create and craft a space, perfectly suited to your own individual needs.

As it stands, the property boasts a covered dome entertaining patio within the huge backyard, ideal for enjoying outdoor gatherings. A spacious lock-up workshop shed with double roller doors also remains - both valuable features that can be retained and enhanced, complementing whatever plans you may have. Imagine all of this on top of that study, theatre room, swimming pool and double garage you have always wanted.

This unique parcel of real estate is just footsteps away from the scenic Lake Joondalup, picturesque lakeside parklands, bus stops and is close to Wanneroo Primary School, the Wanneroo Showgrounds, Wanneroo Central Shopping Centre, Wanneroo Secondary College, the freeway and more. Don't miss out on an exceptional opportunity to embrace the lifestyle you've always envisioned for you and your loved ones, in a delightful and desirable neighbourhood!

Features include, but are not limited to:

- Spacious 809sqm (approx.) block
- Zoned R20
- Fire-damaged original home that requires demolition, paving the way for your dream family residence to be built
- A large backyard patio and double lock-up workshop shed remain intact and can be salvaged as part of the new proposed build
- Design your new home, your way
- Footsteps from Lake Joondalup, parks, transport and more - a wonderful family-friendly location awaits
