## **Terrace Green in the Heart of the Valley**

Set in the heart of the Valley, Terrace Green is a new way of celebrating the Fremantle lifestyle with your own architecturally designed home amongst an established, vibrant community.

Honed from carefully selected enviro-friendly materials providing naturally cool / warm seasonality, each home is bursting with individual bespoke styling, form and function set amongst village-green open spaces.

Designed by local Fremantle architects and available to buy off-plan now, this three-bedroom, two-bathroom home is designed to suit a myriad of lifestyles. It will feature natural limestone finishes, crisp architectural elements and quality finishes throughout.

Terrace Green promises an elegant living environment with high vaulted ceilings, a private balcony and front and rear pet-friendly courtyard gardens. Perfectly designed for comfortable, year-round living and entertaining, each Terrace Green home offers comfort, convenience and style close to the heart of Fremantle.

Please note: all images are artists impressions. Terrace Green is currently under construction with Stage 1 due for completion in April 2022
