Superb Location - Great Potential - Over 1000sqm of Land

Another Flagstaff Hill Property proudly presented by Belynda Nairn & Jarrod Tagni. Overlooking the Gorge and having a glimpse of City Views is this original 1980's home. Comprising 3 bedrooms, main with ensuite and walk-in robe. The main bathroom is large in size and so is the separate laundry with w.c. Original spacious kitchen with island bench and walk-in pantry overlooks the meals area, open plan living and dining room. There is ducted reverse cycle air-conditioning throughout plus combustion heater so you are comfortable all year round.

Outside offers a large entertaining area which needs improving and repairing but plenty of space, double garage with large workshop and a bonus second driveway for access to the rear.

This home has lots of potential for those that are handy, or maybe you just want the parcel of land to build your dream home. Whatever the wants, this location will not disappoint. Easy access to main road, public transport minutes away, Marion Shopping Centre and Flinders Uni or Hospital only a short drive away.
