A Family Haven Inside & Out

Offering the perfect balance between interior quality and comfort and options aplenty to have fun outdoors. Secluded from the street, this four bedroom home has recently been renovated so you can move straight in as is. Featuring separate living areas front and rear that both extend to the outdoor living area for a seamless indoor-outdoor flow, main bedroom with ensuite, custom fitted out robes in all bedrooms, and a superb kitchen complete with soft close drawers, stone benchtops, 900mm gas stove, dishwasher, microwave and double door plumbed in fridge included! Multiple reverse cycle air conditioners and ceiling fans help you control the ideal temperature ambience, plus engineered Blackbutt timber floors and remodeled main bathroom are sure to create wow first impressions. Step outside and there is something for everyone to enjoy - opulent travertine tiling upon which to satisfy your outdoor dining and party needs in style, gorgeous hot tub to soak away your daily stresses, and a fantastic pool and decking area that implores hours of endless fun to enjoy. Complementing the scene is an array of shrubs, plants and native trees that provide an ideal setting of privacy and colourful outlook. Just a ten minute drive to the beach and M1 motorway, and under 15 mins walk to the local primary and high schools. It's a family favorite that will have you turning inside and out in so many positive ways, so don't miss this.
