Tranquil and Private Family Sanctuary

Nestled amongst a natural setting and a picturesque forestry backdrop, there's lots to love about this stunning Buderim home. With rich timber floors and an abundance of character, this property embodies a homely feel.

The practical layout is spread over two levels. On the top level you enjoy a spacious open plan living space with wide stacker doors that open up to enhance the spectacular surroundings. The combustion heater and ducted air conditioning provide year round comfort. From here the kitchen and dining area flow seamlessly to the wide decks that run the length of the home. From here there are multiple vantage points to enjoy the peaceful backdrop while enjoying time entertaining guests, or poolside with the family. At all times of day, every day of the week, this location remains pin-drop quiet.

On the bottom level of the home you'll find a separate living space / rumpus room, plus another ensuited bedroom which is perfect for a home office or guest room.

The home really comes to life outdoors. The 844m² block has plenty of flat yard space for kids and pets to enjoy. There are ample storage options including a large garden shed and extra space underneath the house.

The home is conveniently centrally positioned with quick access to everything Buderim and the Sunshine Coast has to offer. Enjoy nearby walking paths or take a short drive to access the best schools, shops and local beaches.
