## **The Sandy Bay of Miena!**

Lochiel Drive needs little introduction, it's highly regarded as the best street in Miena and for good reason!

This beautifully designed three bedroom brick cottage is a true highlands gem!

The combination of the stunning views, privacy, practicality of sheds and situated within walking distance to the Great Lake and the Great Lake Hotel, give this property an unusually large tick list for most buyers!

Three well appointed bedrooms with the master downstairs allows for the larger family to use this home or the space to live in comfort without stepping on each others toes.

The property is connected to town power, on-site septic system and has rainwater tanks for water.

Miena is well known for its amazing world class trout fisheries, fantastic restaurants and access to fuel and groceries, it is by far the most sought after location in the highlands for holiday makers and full time residents.
