## Rockstar Retreat Meets Family Home

Jo & Jo present 222 Simpsons Road. A stunning architectural treasure, elegantly situated on the ridge of Currumbin Waters and overlooking the Southern Gold Coast.

Step inside this charismatic home that feels like a rockstar's hideaway on over 8,000m<sup>2</sup> of land. A split-level home consisting of 4 bedrooms, 2 bathrooms and plenty of parking.

There are so many features that set the tone for this home's unique character including exposed brick, timber accents, chandelier lighting and whitewashed original timber floors. Beautiful awning windows showcase the stunning scenery of your bush setting, with views beyond to the Pacific Ocean.

The spacious parents retreat offers a private study or sitting area and has a private balcony that overlooks the Koala Reserve. Complete with a large walk-in robe, air conditioning and retro ensuite with original tiling.

Enjoy 3 separate living areas. Keep the family connected with an open plan living / dining / galley style kitchen with original oak cupboards and counter tops. Or opt for a cozier space in your sunken lounge, warmed by an oversized fireplace. An additional sitting area is a perfect creative space or reading room.

The star of the show is your magnificent 5 x 10 metre saltwater swimming pool, lined with bright blue mosaic tiling. New decking in the pool surrounds is Tech Wood – a no maintenance product. Bring on the Summer pool parties with ocean views!
