SPACE FOR EVERYTHING!

Options abound here for those after an affordable four bedroom home with a study in Warrnambool's popular north location.

The master bedroom has an ensuite and walk-in robe, plus the other three bedrooms are serviced by a central modern family bathroom. The lounge room has floor-to-ceiling windows overlooking the street with a gas log fire and split system air conditioning as well.

At the back of the home, the modern spacious kitchen and dining area overlooks the rear yard of some 982m². There is a cleverly designed outdoor area to maximise use throughout the year.

There is a single lock up garage, carport and additional shed in the backyard with access down the southern boundary.

Located only a short walk to Kings College and the Northpoint shopping centre, this will be a great place to call home!

All you need to do is pop along to the inspection to see what is on offer!
