Auction Saturday 14th December (unless sold prior)

Auction Location: On Site

This outstanding property has been impeccably renovated throughout, making it the ideal home for you to move straight in and enjoy. The original solid brick construction from 1966 is the perfect canvas for the modern updates you see now, where all the stress and hard work has been done for you.

The modernised rendered facade gives this home wonderful street appeal, while retaining many features of its original mid-century character. Electric roller gates welcome you home with easy and secure undercover parking for up to three cars. Upon entry, sanded and varnished solid timber floorboards add warmth to the home and lead you through the light-filled hallway to the rest of the home. The large Master bedroom features large windows, which allow in lovely light and fresh air, plus modern sheer curtains and roller blinds for privacy. It also offers a floor-to ceiling built-in wardrobe and split-system air-conditioning. There are two further bedrooms, with ample space for double beds and more storage.

An open-plan kitchen/living/dining area makes a perfectly practical use of the space. The updated kitchen offers engineered stone island bench, gas cooktop, soft feature lighting, electric oven, dishwasher and plenty of cabinet storage. The bathroom has also been completely renovated in a timeless style, with shower, separate bath, impressive Velux skylight, plus a separate toilet accessed from the spacious laundry adjacent.

But the best is still to come. The original back yard has been transformed and landscaped into an entertainers dream, with an under-cover and private alfresco that comes complete with plenty of bench space for cooking, seating, bar space and even a jacuzzi...just in time for summer!

There is so much to love in this home, located in the vibrant suburb of Hendon. Only 12km from the Adelaide CBD, and only a few minutes drive to West Lakes Shopping Centre, many local, cafes, public transport, parks and beach.

Key Features:

- + 3 bedrooms, two with built-in storage
- + Renovated bathroom with Velux skylight
- + Renovated kitchen with engineered stone bench tops and storage
- + Instantaneous gas hot water system
