Type: House

Robert Pullia

Fabulous Indoor-Outdoor Family Entertainer

Stylishly renovated to offer the best in family living, this beautiful 4-bedroom plus study home is made even more appealing thanks to its enviable position near schools, parks and the bay.

North-fronting and bathed in abundant natural light, the inviting lounge (open fireplace) and garden-view dining area provide the perfect welcome, while the chic gourmet kitchen with 900mm Smeg oven is a host's dream setting.

Further on, a second living area gives the kids plenty of room to spread out and enjoy. It spills outside to a fabulous multi-seasonal entertaining area with outdoor kitchen; a setting crowned by a soaring pitched roof with heat strips and ceiling fans for year-round comfort.

All four bedrooms are of generous proportions and boast fitted wardrobes, including the peacefully positioned master with walk-in robe and luxe fully-tiled ensuite.

A fitted study is among the crowd-pleasing inclusions along with ducted heating, split systems, a stylish family bathroom, full laundry, garden irrigation and double carport.

Close to both St Louis de Montfort's and Aspendale primary schools, the home on approx. 607sqm is within moments of the suburb's shops, cafes and station while a choice of parks and the bay create an idyllic backdrop to daily living.
