In the heart of Mirboo North township this stunning home design is sure to impress internally on both stories, and views from outdoor balconies. All 3 bedrooms are of a great size with semi ensuite to master, either a private balcony or views through the large dble glazed windows from each bedroom and living space. The 1st living area gives a welcoming space to guests to arrive and the 2nd open plan living and kitchen upstairs, brings everyone together. Easy to maintain yard not enclosed and carport space. It's a must see property!
