Type: House

Mark McCann

Renovated and move in ready

Boasting immaculate interiors and peaceful outdoor spaces, this beautiful, renovated home offers it all. Located in a quiet, yet incredibly convenient street in the heart of one of Tuggeranong's most popular suburbs it delivers on space, functionality and luxury.

The private and unassuming façade provides plenty of additional off-street parking in the driveway with direct access into the double carport that has been semi-enclosed with remote roller doors. There is a lovely timber deck out the front that welcomes you into the home, ideal for relaxing in privacy thanks to the thoughtful landscaping.

Inside the home has been refreshed with modern interiors including an L-shaped lounge and dining area, central kitchen and family room. Both the family and dining spaces have direct access to the rear deck, ideal for entertaining and the kitchen enjoys good storage, a small breakfast bar and quality appliances.

Storage is plentiful with built-in robes in each of the four bedrooms, and an array of coat, linen and storage cupboards throughout the home, including in the stunning, dream laundry. Both bathrooms have been updated and the family bathroom includes floor-to-ceiling tiles, a floating vanity and soaking bathtub.

Out the back, the raised timber deck enjoys plenty of shade with lovely views of the generous garden that includes lawn space, raised veggie beds and a concrete basketball court that will delight your kids and all of their friends. The home is located in a quiet street, close to shops, schools and public transport links. It is an easy commute into Tuggeranong, Woden and the City.
