Anthony Di Nardo

An Elegant Family Home Moments from the Lake's Shoreline

Displaying a soothing sense of elegance front-to-back and top-to-bottom with that still-fresh feel of a recent update, this family-sized home is a great find for buyers seeking space and serenity on a low-traffic street. Highlighted by tranquil colours throughout, its five bedroom footprint is filled with natural light and reveals connected living and dining areas, a huge living room and an enclosed glass-framed sunroom where you'll want to spend plenty of time. The five top-floor bedrooms are all oversized and serviced by two bathrooms, inclusive of a master ensuite. When hosting a crowd, the upper level balcony is the place to be with its lush treetop view creating a stunning backdrop, or alternately a second entertaining space extends off the kitchen. A double garage and a backyard large enough to add a pool (STCA) add great value, and its location on a quiet and neighbourly street is handy to shops, cafes, schools and the huge expanse of Lake Macquarie.

- Dual-level home placed upon a leafy 789sqm parcel with bushland views on offer from most windows
- Quality double-brick construction keeps the home cool in summer
- Open-style living and dining room backed up by a spacious family room with dual sets of French doors
- Expansive kitchen finished with timber doors and marble benchtops, opens to the outdoor living space
- Five oversized bedrooms, all feature a built/walk-in robe and new wool carpet underfoot
- Large spa bathroom downstairs and two shower bathrooms upstairs, including master ensuite
- Solid timber redwood Ironbark floors in all social areas of the home
- Double garage adjoins a double driveway plus there is handy side access
- Lovely backyard backs onto reserve and has space for a pool and shed (STCA)
- Zoned for highly-regarded Eleebana Public School and Warners Bay High
