Home is where the heart is!

Luxurious, low-maintenance, and... lots of space, this contemporary low-set home in a beautiful, family-orientated pocket of Marsden isn't something that becomes available very often.

If this home catches your eye, be sure to get in touch today - with motivated sellers, it's an opportunity you'll have to pounce on!

Hosting plenty of space through its' thoughtful design, and splashed with style beyond each turn, it's sure to rank highly on the lists of those who prioritise easy living. With an emphasis placed on the beautiful, sundrenched interior, it's the perfect abode for those who lead busy lifestyles, or are looking to downsize.

The functional design accommodates to relaxing at home, and entertaining guests in style. Through its' vast, open design, you'll enjoy subtly separated lounge and dining, embellished with a fresh palette to compliment any style of décor, and invoke a stylish edge.

Anchoring this space, the trendy kitchen is garnered with features to elevate your cooking, and positioned to allow the chef to indulge in conversation. It comes complete with lashings of bench space, an ivory- tiled splashback, a dishwasher, chefs' oven, electric cooktop, contemporary fixtures, and a breakfast bar.

Outside, the alfresco proposes a lovely venue to entertain, and unwind. It overlooks a strip of lush grass - a fabulous spot for your gardens, or the kids and pets to play - but is of a scale which promises to rid you of Sunday yard-work!

Inside, each of the four bedrooms have been laced throughout to offer privacy, and are adorned with features to heighten your comfort.

Sweetened with a soothing palette, each boasts plush carpets in a midnight hue and built-in robes. The master suite hosts the added luxury of air-conditioning, a walk-in robe, and an ensuite brimming with modern finishes.

The common bathroom is fluent in the modern finishes, and enjoys a spacious shower, and deep built-in bathtub.
