Fully Renovated Family Haven with Pool!

Step into modern comfort and luxury in this immaculate, fully renovated home at 26 Adamson Avenue. With an expansive layout that blends style with functionality, this residence promises a lifestyle tailored for both relaxation and entertaining, in one of Gillen's most family-friendly areas.

3 Spacious Bedrooms + Versatile Retreat: Three-bedroom home includes a parent's retreat that can easily serve as a fourth bedroom, office, or lounge space, providing flexible options for family dynamics.

This Sophisticated Kitchen Design: The modern kitchen is a true centrepiece, featuring a premium induction cooktop, dishwasher, and a double stainless steel sink. Expansive counter and cupboard space ensure both functionality and style, while large windows bring in an abundance of natural light and overlooks the backyard, enhancing the cooking experience.

Master Bedroom Sanctuary: The master suite is designed as a private sanctuary with a walk-in robe and a luxurious ensuite. A full-sized bathtub, separate from the shower, offers a spa-like experience for ultimate relaxation.

Indoor Comforts and Quality Finishes: Fully refurbished, this double brick home boasts brand-new paint, wood-look flooring, and stylish tiles throughout. The addition of split system air conditioning ensures comfort year-round, while new LED lighting and Crimsafe security screens add both ambience and peace of mind.

Outdoor Living at Its Best: The backyard has been thoughtfully crafted to encourage a relaxed outdoor lifestyle. The in-ground swimming pool is the ideal spot for family enjoyment, and the adjoining entertainment area promises countless weekends of alfresco dining, parties, and barbecues.

Secure and Spacious Double Shed: The double shed provides ample space for storage or workshop needs, complete with power, making it a perfect fit for hobbyists, DIY enthusiasts, or additional parking.

Updated Security and Ventilation: Crimsafe security screens, louvered windows, and new blinds offer enhanced safety, privacy, and fresh air circulation throughout the home.
