Character filled classic

Quietly ensconced at the end of a cul de sac this unassuming home opens out into a wonderful and flexible family abode designed to cater for a myriad of potential lifestyle situations. The contemporary open plan kitchen/dining/living space enjoys a wonderful light filled north facing outlook with views towards Mount Direction.

A central master bathroom is conveniently located with separate WC and three double bedrooms along with a master bedroom with ensuite and built in robes. The rear bedroom could easily double as family room with French doors opening onto the back yard featuring a large courtyard perfect for alfresco entertaining with a level raised lawn space ideal for backyard cricket and plenty of off street parking provides easy and safe access to the home.

Combining the perfect blend of modernised contemporary living with 1940's charm this solid brick home is conveniently located within an easy commute to the CBD and strolling distance to the increasingly trendy Augusta Road shopping strip, Calvary Hospital and the Friends School as well as in the Mt Stuart Primary School catchment area.
