Step back in time to create your own History

Set well back from the road on a near level block, sits this wonderful full Sandstone Cottage. An opportunity exists which is not to be missed, in need of some love you have an amazing and unique canvas to create your own history. By adding your own personal touches, you are almost certainly increasing your new homes value immediately. Consisting of 4 bedrooms, multiple living areas, old school open fireplaces and hardwood timber flooring, the bones of your new project are ready, willing and able.

Further character enhancements exist with high ceilings throughout, colourbond roof, detached workshop and fully fenced usable 1376sqm block.

- Yes, this lovely Sandstone Cottage needs TLC
- Comprising multiple bedrooms, 2 sunrooms ideally positioned to capture abundant natural light.
- As level as you can get land holding of 1376sqm
- Multiple living areas with open fireplaces and high ornate ceilings
- Wonderful location within a short stroll to Lawson Village
- Connected to mains water, mains power and sewer
