District & sunset views, two living areas and a pool ~ ideal family home

Elevated on the high side of the street, this beautifully presented three-bedroom, two-bathroom home is bathed in natural light and offers sweeping district views, with magical sunsets over Mount Sugarloaf to cap off each day.

Inside, the main living area steals the show with its soaring raked ceiling, adding an incredible sense of space and airiness. A second living area provides that sought-after flexibility for families to spread out, while ducted air-conditioning, quality floorcoverings, and a neutral palette make it effortlessly comfortable. Step outside, and the backyard is full of surprises. The sparkling pool is perfect for making the most of the summer sunshine, while the tiered garden enjoys a prized northeasterly aspect.

For families, the location ticks all the boxes. The kids will love being close to Brickworks Park and local sporting fields, while school drop-offs are easy with Wallsend Public just 800m away. Conveniently connected, you're only 10 minutes from the M1 and Hunter Expressway, with Newcastle CBD and beaches just 20 minutes away. Grocery runs are a cinch too, with Wallsend, Jesmond, Elmore Vale, and Glendale all nearby.
