Tucked away at the end of a quiet no-through road, 27 Moss Day Place, Burnside, is a beautifully renovated 4-bedroom, 2.5-bathroom home offering multiple living areas and a layout designed for both functionality and elegance. Elevated to take advantage of its northeast aspect, this home enjoys abundant natural light, cooling breezes, and picturesque views. Set on a 634sqm fully fenced block, the home has been meticulously cared for, with no detail overlooked. From the moment you arrive, the front stone feature wall and welcoming entryway set the tone for what lies beyond. Inside, high ceilings, engineered timber floors, and stylish modern finishes immediately create a warm and inviting atmosphere. At the heart of the home is the open-plan kitchen, living, and dining area—a bright and spacious hub designed for family living. The kitchen is a chef's dream, boasting stone countertops, a large island bench, ample storage, an electric cooktop, and a brand-new dishwasher. This is a space that balances practicality and style seamlessly. The upstairs layout is equally impressive, with the master bedroom offering a peaceful retreat. This spacious sanctuary features new carpets, a VJ panel feature wall, a large private ensuite, and a walk-in robe—all complemented by beautiful views. Two additional generously sized bedrooms are also located on this level, each with built-in robes and ceiling fans. The main bathroom is modern and functional, with stone countertops, an oversized shower, a large bathtub, and a separate toilet. A stylish staircase leads you downstairs to a spacious second living area—a versatile space perfect as a second lounge room, kids' retreat, or guest accommodation. With its generous size, the possibilities are endless. This level also features the fourth bedroom, complete with built-in robes and a ceiling fan, as well as a stylish laundry with an additional toilet and direct access to the outdoors for added convenience. Outside, the property's manicured gardens and landscaped grounds offer both aesthetic beauty and practicality. The fully usable yard provides plenty of space for kids and pets to play, as well as room for a future pool. The side vehicle access through double gates makes any additions effortless. A ready-to-go chicken coop, citrus trees, and ample space for parking caravans, boats, or trailers add even more functionality. A spacious under-house workshop serves as an excellent alternative for those seeking a shed or man cave. Perfect for those who like to tinker or anyone in need of additional storage, this private area features concrete flooring, ample lighting, and full power connectivity, making it both practical and versatile. An additional in-built garden shed offers even more storage space for your tools and other storage needs.
