Fresh and Bright with a Great Backyard!

Live the Alstonville dream, with a great home in a convenient location close to parks, shops and bowling club.

The 771sqm block boasts a large north-facing backyard with scope for a pool, shed, granny flat or extension (STCA), or simply the space for kids to run and play for hours with their own cubby house already installed.

A neat and tidy kitchen at the centre of the home features plenty of storage, while the living room and additional rumpus area means a versatile floorplan for you to live comfortably. Enjoy winter mornings catching the sun's rays on the edge of the outdoor entertaining area, or hosting family BBQ's in the summer as the refreshing coastal breeze sweeps through.

Extra features include a modernised bathroom with separate toilet, a double lock-up garage with a second toilet and generous laundry space, fresh paint, air-conditioned living room and a privately hedged front lawn for space to park the boat, caravan or trailer.

Now with safe footpath access all the way into the charming Main Street of Alstonville to access cozy cafe's, supermarket and boutique shops, 27 Parkland Drive has never been a better place to call home!
