Live the Dream! Beach, Backyard, and Big Block Potential

Brimming with coastal charm, this three-bedroom plus study home captures the spirit of beachside living just 300m from the sand. Imagine grabbing your surfboard and dashing out barefoot for a morning paddle, while the kids revel in having the patrolled beach, playground, and pump track practically on their doorstep. This is where lifelong memories are made.

Stylish and ready to enjoy, this home welcomes you with a light-filled open plan living and dining area, complete with air conditioning and the appeal of timber plank floors. The modern kitchen is equipped with electric appliances, and a spacious sunroom at the entry offers a perfect retreat. Outside, a freestanding double garage and ample driveway parking provide plenty of space, while the generous 809.4sqm block, with sloping land and ocean views from the top, invites possibilities for a future rebuild or granny flat (STCA).

Redhead Beach, a jewel at the northern end of a breathtaking nine-mile coastline, enchants with its majestic cliffs, rocky outcrops, and iconic shark tower. Patrolled by lifeguards during the warmer months and home to the Redhead Surf Life Saving Club, it's a haven for both swimmers and surfers. Dive into perfect waves, enjoy a refreshing swim, or cast your line for a spot of fishing. Why would you want to live anywhere else?
