Midway between town and Ocean Beach is this delightful four bedroom one bathroom home. Enjoying a sun filled location with its north facing living and family room, the home is split level, with vaulted ceilings, and a picture postcard deck and garden area. Three of the bedrooms have built in robes, while all four have ceiling fans for those balmy summer evenings. Two reverse cycle air conditioners, a slow combustion wood heater, gas hot water service , electric oven & hotplate, dishwasher, single car garage and carport complete the package here in one of the most popular locations in Denmark.
