A great location close to the Stanthorpe Golf and Bowls Club plus the generous living areas and 5 bedrooms will add to the appeal of this large and tidy brick home. A spacious carpeted lounge and dining area and the master bedroom with ensuite are at the front of the home, the large kitchen with electric cooktop, oven and dishwasher is the heart of the home and the expansive tiled family room gives access to 4 bedrooms, tiled family bathroom, laundry and the big undercover entertainment area. A 2-door garage gives easy access through the undercover area to the kitchen. Good insulation, two reverse cycle air-conditioning units, ceiling fans, a woodburning heater and a gas heater provide comfort through all seasons. The home also has good storage with large pantry, linen and utility cupboards, walk-in robe in the master bedroom and built-in robes in remaining 4 bedrooms. A corner location allows easy access to the back yard for extra vehicles and yard maintenance. Mains power, town water and sewer service the property and there are 2 rainwater tanks for the garden. This will be a great home for a family or for retirees wanting plenty of room for visiting guests. Call the exclusive agent to arrange your inspection.
