Pure Quality

This low set, John Eggins built, brick and tile roof home is pure quality and the immaculate presentation is sure to impress. Boasting three good sized bedrooms plus a study, the main comes with a WIR and ensuite, the remaining rooms all with built in storage and ceiling fans. The expansive lounge room is flooded with natural light and is air conditioned for added comfort whilst central to the home, the galley style kitchen has loads of storage and bench space and flows seamlessly to the air conditioned dining room. The covered alfresco area offers views to the distant nightcap ranges and enjoys cooling valley breezes. The main bathroom is neat and tidy and the double garage provides convenient internal access. There is a second covered area to the side of the home and the large 1,286m² terraced allotment has ample room beside the home to access the top tier, which would be suitable for shedding. Located at the end of a no through street makes for a quiet and private setting. All of this is only a short drive to Goonellabah Shopping Village, Goonellabah Sports and Aquatic Centre, and 30 minutes to the coast.
