Ultimate Family Home on the Hill

Welcome to 28 Macaulay Street! This house really has it all - city views, pool, privacy, dual living option, and the outdoor entertaining area of your dreams,

This four bedroom, three bathroom family home sits on a substantial 894m² corner block in the upper hills of Kawana. Just five minutes to Heights College, Glenmore State School, CQU, Glenmore shopping precinct, and the Richardson Road shopping areas, you're ideally placed for everyday life. The spacious property features all the bedrooms on the same level, with an open-plan kitchen, living, and dining area for seamless family living. This home has been built for fun and convenience. Starting with the kitchen, stone benchtops and stylish white cabinetry ensure a clean, modern feel to the kitchen, with a large walk-in-pantry and built-in appliances for efficiency. Situated just off the garage it couldn't be easier to bring in those groceries from the car. Don't forget about the master suite - this king-size bedroom is complete with a walk-in robe, ensuite, and your own balcony to overlook the family playing in the pool or enjoying the alfresco area.

Downstairs is where the party starts! With a huge media room (or fifth bedroom), bar area, and a second living space with access to the covered patio area, you'll have everything you need for entertaining. The magic of the ground floor comes with a private bathroom as well as a kitchenette with an oven and a dishwasher. With private external access, 28 Macaulay Street is perfectly designed for dual living - bring the parents, the older kids, or even AirBnB guests, as the bottom floor provides total privacy from upstairs.

Heading outside, you'll find the multi-level gardens and entertaining space, plus a storage shed, side access for a boat or a caravan, and a custom-built aggregate concrete BBQ station. The stunning pool and 'diving' board are surrounded by high fences and greenery to be enjoyed with total privacy. Enjoy the city views from the master balcony or with a meal on the ground floor, this house has it all.

You wouldn't know about the magic of 28 Macaulay from the street, an inspection is an absolute must! Contact the agents today to arrange yours.
