Renovate or Redevelop - 1029m2 (appx) - 23m Frontage (appx)

ACT NOW to secure this property before someone else does!

Sitting on a very generous allotment of some 1029m2 with 23m front and rear (appx) This is one opportunity you do not want to miss.

There is currently a house with a granny flat on the property that is in need of TLC, but in a very liveable condition.

With the current owners downsizing to a retirement village, this is your opportunity.

NOTE: We will be collecting offers but no decisions will be made until Friday the 25th of October at the earliest as we try to secure a home in the Ridgehaven Retirement Village. SO ACT NOW and put your best offer forwards.
